FOR THE MARKET GROWER

We list here a few strains to which we particularly desire to draw your attention. A complete list of varieties that we have available, in selected Market Growers' stocks, will be found on pages that follow.

BET, DETROIT DARK RED. The round, dark red, globe roots are uniformly smooth. Flesh is almost black-red, turning to dark crimson, with dark purple zones as Beets grow larger. Tops small, uniform, splendid for bunching; also a good winter keeper. Oz. 30¢, 1/4 lb. 55¢, lb. \$1.60, 10 lbs. \$15.00.

BET, IMPROVED WONDER. An improved Early Wonder Beet, which was given a gold medal rating by the All-America Selection Committee. Has all the fine qualities of its type but has, in addition, a fine, darker-colored flesh, exceptionally tender and sweet. Oz. 30¢, 1/4 lb. 55¢, lb. \$1.60, 10 lbs. \$15.00.

CABBAGE, COPENHAGEN MARKET. The best of early Cabbage. Stands longer without bursting. Stem is short, the head round and solid, weighing 8 to 10 lbs. The leaves are small, compact and close to the head, so it will stand close planting. The inside is fine grained, tender, pure white and compact. Our strain is the finest obtainable. Oz. 55¢, 1/4 lb. \$1.50, lb. \$4.50.

CABBAGE, BONANZA. An outstanding shipping and market variety. Forms a small, almost firm head early in the season and continues to grow to maximum size. Can be harvested early or can be held in the field for a considerable time after maturity. About 75 days from plants. Oz. \$2.00, 1/4 lb. \$5.00, lb. \$15.00.

CARROT, EARLY HALF-LONG NANTES. A fine strain of this excellent cylindrical shaped Carrot. Skin smooth, flesh deep orange, core small, tops short, excellent for frame culture. Oz. 35¢, 1/4 lb. 90¢, lb. \$2.60, 10 lbs. \$25.00.

CELERY, GOLDEN TREASURE. Has much of the characteristics of our Golden Plume, from which it is a selection. It is larger than Golden Plume in every dimension. Longer and larger first joint, greater height and a full heart of beautiful, golden color. Excellent for both early and late. 1/4 oz. \$1.25, 1/2 oz. \$2.00, Oz. \$3.75, 1/4 lb. \$10.00, lb. \$30.00.

CELERY, SUMMER PASCAL. This is a green Celery that is short and heavy, growing to a maximum height of 22 inches. Not as tall as Utah and California Pascals. Has a very full, golden heart. Only the extreme outside stems show ribs; these are taken off for market and it leaves a heavy, full-hearted stalk, entirely free of strings. These smooth stems are very brittle. Short first joint and great size. Resembles our Golden Plume in shape. Grows slower than golden types; takes two weeks under boards or paper to bleach. Retains green cast after much bleaching. Also bleached by hilling but not left as long as the old Giant Pascal. Is grown from first crop in spring to late fall crop. 1/4 oz. \$1.00, 1/2 oz. \$1.75, oz. \$3.00, 1/4 lb. \$8.00, lb. \$25.00.
